OUR WEDDING & EVENT SPACES

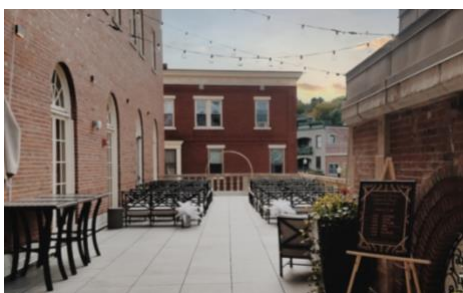

THE GRAND BALLROOM | *Capacity: 30-182*

The faithfully restored Grand Ballroom draws inspiration from the same 19th century aesthetic that served as the backdrop for the stunning weddings of the Gilded Age. Perfect for grand celebrations, this beautiful space with large arched windows offers a variety of floor plan options for wedding ceremonies and receptions.

THE GREAT HALL | *Open to Second Floor*

Located on the second floor, our historic Great Hall has long been an iconic social hub. This elegant space is ideal for welcoming out-of-town guests or hosting a cocktail hour—with its devoted bar, fireplace, shuffleboard table, and variety of seating available.

NORTH TERRACE | *Versatile Outdoor Space*

Accessible directly from the Great Hall, our outdoor Terrace will invite guests to enjoy views of downtown Saranac Lake while enjoying a delicious cocktail and mingling with friends and family. This space has also hosted outdoor ceremonies and rehearsal dinners. Capacity depends on the seating arrangements.

OAK ROOM | *Capacity: 24*

Connected to both the Grand Ballroom and the Great Hall, this inviting room adds unique flexibility for your special day. Suitable for up to 24 guests, the Oak Room could serve as a dessert station, photo booth, bridal party staging or preparation space, and more.

EMBER ROOM | *Capacity: 24*

On the first floor of the Hotel, this intimate multi-purpose space features floor-to-ceiling windows and ample natural light. Host a day-of bridal brunch while your party has their hair and makeup done next door or unwinds during a visit to the Ampersand Spa, located downstairs. This room is also perfect for a rehearsal dinner, bridal shower, or luncheon for up to 24 guests.
